

Thinking About Changing Your Major??

Every year we have a few students who discover an interest in a SCAPA arts area other than their current major. As we get closer to audition time, I would like to take this opportunity to share with everyone the procedure for changing your major at both SCAPA Bluegrass and SCAPA Lafayette.

1. Any student who is currently enrolled in SCAPA may apply for a Change of Major.
2. All major change auditions will take place within 10 days of submission of the major change application and, if approved, ***will go into effect for the next school year.***
3. ***IMPORTANT!!...The student must remain in good academic standing in order for the Major Change to take effect.*** Should a student be dismissed from the program, the major change is rendered null and void. That student will remain out of the program for the school year immediately following the dismissal. That same student may re-audition in December for possible placement for the next school year following the year after the dismissal.
4. ***No major changes will be granted during the school year.*** This places any student at an unfair disadvantage by going in to a class weeks or months behind the rest of the class.
5. Major Change forms may be picked up, beginning on January 15th, from the following locations:
 - Bluegrass: Yvonne Erbe (Counselor) or Carla Pleasant (G/T Facilitator)
 - Lafayette: Carla Pleasant (Room 108 in SCAPA Bluegrass), your Lafayette HS Counselor or from any SCAPA Arts Teacher.
6. ***The due date for all Major Change Applications is March 1 of every school year.***
7. Students may select only one area in which to audition for a major change.
8. Once the Major Change form is returned, you will be contacted by the appropriate Arts Teacher. At that time, you will schedule the Major Change audition with the specific teacher according to a time and date that is convenient to all parties.
9. After the Major Change audition takes place, you will receive written notification as to the outcome (Approved or Not Approved).
10. If your Major Change is APPROVED, your counselor will be notified so that they can make the appropriate changes to your schedule. If your Major Change is NOT APPROVED, then you will remain in your current arts major for the upcoming school year.

Please Note: If you are a current 6th or 7th grader and are wishing to audition in the area of your current minor, you need to complete the major change application as soon as possible!!!! Your minor selection can not take place until your major change audition is completed.
