

# Read to Feed

SCAPA kids will be participating in the Read to Feed program throughout the month of November. The website is [www.readtofeed.org](http://www.readtofeed.org) if parents would like to have additional information about this community project. Not only will they be collecting pledges for books that they read, but the money will be contributed toward the \$5,000 goal of the ark described below

Read to Feed inspires children to get involved in a real hands-on way to help solve global problems like hunger and poverty. Children are asked to obtain sponsors for each book that they read during the month of November. The goal is to raise money to purchase gifts of livestock for struggling families who have few resources and need an ongoing source of income. These gifts help families move away from poverty and toward self-reliance.

Checks are made payable to Heifer International. Ms. Sarantakos will be sending home more information at the beginning of November.

## Gift Ark: Changing the World Two By Two

The Heifer Gift Ark offers hope worldwide to families who are poor and hungry. You'll help families start on a journey to fulfill a seemingly impossible dream - to secure food and a source of dependable income.

Each family who receives livestock will pass on one or more of the animal's offspring to other families who are in need in their community. Every gift will multiply for years to come.

Imagine how your gift could change the world. Two cows bring milk and income to a Russian village. Two sheep help families in Arizona produce wool. Two camels help families in Tanzania earn income by transporting agricultural and industrial materials. Two oxen pull plows and carts in Uganda. Two water buffalo help Cambodian families increase rice production through animal draft power. And that's just the first five sets of animals ... your ark provides 15 pairs of animals to change lives.

What a wonderful way to bring joy to the world!
