Dear SCAPA Parents,

Joe Tackett, a representative of the Lexington Philharmonic, has invited us to participate in the Kentucky Christmas Chorus this year. The event takes place on Tuesday, December 16th at 8:00pm in Rupp Arena. This is the Tuesday before Winter Break begins. SCAPA's participation will be included in the press release information sent out by the Philharmonic. They would like to spotlight us during the event!

I believe this is a wonderful opportunity for us to participate in a community-wide celebration of music. I would love to see students from every grade we represent, 4th-12th, in our choir. I realize that the high school students will be taking final exams during that week, but this will only require a couple of hours out of one evening. We will not be holding any rehearsals. They will send us music prior to the event and I will be sure to send home copies ahead of time to those who participate. I believe that most of the songs will be familiar to our students.

I hope you will join me and encourage your student to join in this annual holiday event. If your student would like to participate please email, call or send me the information listed below (You will need to provide transportation to and from this event):

Student name
Age
Grade
Major
Parent name
Home address
Phone number
Email address

The deadline for letting me know is December 1st. Thank you for taking the time to consider this request.
