SCARECROW CONTEST

No Entry Fees!

Artique and The Mall at Lexington Green invite you to use your imagination and anything you can find to create a scarecrow for one of the following categories:

1. **Young People's Group** - School classes and organizations are encouraged to come up with the most spectacular scarecrow. The more outrageous, the better!
2. **Young People's Individuals** (18 Years and Younger) - There are no limitations here! The more creative, the more votes you get.
3. **Traditional** - Create a traditional scarecrow using materials that have been used on functional scarecrows in fields and gardens, but do be creative, humorous, or scary!
4. **Contemporary** - Construct an unusual piece (piece is the key word, not necessarily a scarecrow) appropriately created to give an awesome, humorous, or scary effect in the garden. Imagination with a dash of cleverness is the recipe for a winner.
5. **Political** - A scarecrow depicting your favorite local or national politician, party, or cause. Have fun and show us your candidates special qualities! Humor and creative use of materials are a plus!
6. **Mall Merchants** - The Stores at Lexington Green Mall merchants are encouraged to create "store-related" scarecrows as well. This category is just for Lexington Green Mall Merchants.
