**Museum Go Round 2009**  
~an art festival for young people~  
**Saturday, October 17**

• **What it is.** Museum Go Round (MGR) is a festival - complete with hands-on activities, workshops, food, and entertainment - *designed for young artists (18 and under) to show and sell their work.* This year we anticipate over 100 young artists to participate and we're lining up lots of fun things to do. The event draws around 3,000 people - so it's a fairly busy and exciting day!

• **What you need to know.** It all happens on **Saturday, October 17.** We will close **Short Street** (from Broadway to Felix Street) for the day and booths and activities will be lined up along both sides of the street. "Booths" consist of tables that are approximately 6 feet long and two chairs. Because our young artists sell their work, we ask that you not sell any merchandise that might compete with their sales (giveaways are fine - in fact, encouraged!). Performers will be located on our "Star Stage" and will be scheduled throughout the day. The free event will run from **10am until 4pm** and the Explorium will offer discounted admission to the museum.

• **What you can do.** Join us! Enclosed you'll find a MGR Organization Application. If you want to participate with a performance, hands-on activity or workshop, fill it out and send it in. Give us a call if you need ideas or want to discuss any other opportunities. We'll follow up with you and give you set-up information.
